Annual Conference

Novotel, Auckland

5th & 6th October 2007

WELCOME

The NZIDT Executive would like to welcome everyone to the Annual NZIDT Conference. We would like to thank the speakers and delegates for their support which without this event would not be possible. The profession is continually developing and it is events like this conference that illustrate the ever changing face of dental technology. We look forward to talking with you at the conference dinner.

The Executive especially would like to thank the below major sponsors

Major Financial Sponsors
