

The three P's - Precision. Partnership. Performance

The biggest dental event of 2026!

The New Zealand Dental Association (NZDA), New Zealand Oral Health Association (NZOHA), and New Zealand Institute of Dental Technologists (NZIDT) are joining forces to deliver the **New Zealand Dental Congress 2026**.

Congress will kick off with an opening session bringing everyone together, followed by each association presenting its own tailored scientific programme, with select open sessions to foster collaboration. The shared industry expo will be a buzzing hub of activity, connection and energy.

Expect inspiring sessions, hands-on learning, networking opportunities, and a vibrant social programme that keeps wellbeing front of mind.

The event will take place from 27 – 29 August 2026 at the brand-new New Zealand International Convention Centre in Auckland. Registration will open on 16 March, so don't miss your chance to be part of the action!

NZIDT Congress

Precision. Partnership. Performance

Thursday, 27 August 2026

Workshops

John Batchelor and Tristan Pattinson – Ivoclar 3Shape

John Kim Neo Dental Medit Workshop

5.00 PM to 6.30 PM — Presidents' Shout

The 'President's Shout' is the informal welcome to our congress, where everyone comes together for drinks and a catch-up. This gathering provides the perfect opportunity to survey the trade area, network, and make plans for the coming congress.

Meet after the Presents Shout, we will also have some recommendations and discount vouchers for local restaurants, where you can continue your conversations and grab some food. (The restaurant will have limited capacity, so a first-in policy)

NZIDT Congress

Precision. Partnership. Performance
